Buy C0402C249B8HAC7867 with confidence from  
Component-World.HK, 1 Year Warranty

Electronic Components

Part Number: C0402C249B8HAC7867

Manufacturer: KEMET

Description: CAP CER 0402 2.4PF 10V ULTRA STA

Data sheet:  [Ultra Stable, X8R Dielectric](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| PRODUCT PARAMETER               |                                                           |                                  |                                              |
|---------------------------------|-----------------------------------------------------------|----------------------------------|----------------------------------------------|

| Quantity Available              | 4857787 pcs                                               | Data sheet                       | <a href="#">Ultra Stable, X8R Dielectric</a> |
| Category                        | <a href="#">Capacitors</a>                                | Voltage - Rated                  | 10V                                          |
| Tolerance                       | ±0.1pF                                                    | Thickness (Max)                  | 0.022" (0.55mm)                              |
| Temperature Coefficient         | X8R                                                       | Size / Dimension                 | 0.039" L x 0.020" W (1.00mm x 0.50mm)        |
| Series                          | C                                                         | Ratings                          | -                                            |
| Packaging                       | Tape & Reel (TR)                                          | Package / Case                   | 0402 (1005 Metric)                           |
| Other Names                     | C0402C249B8HACTU                                          | Operating Temperature            | -55°C ~ 150°C                                |
| Mounting Type                   | Surface Mount, MLCC                                       | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                |
| Manufacturer Standard Lead Time | 18 Weeks                                                  | Lead Spacing                     | -                                            |
| Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                                | Height - Seated (Max)            | -                                            |
| Features                        | Low ESL, High Temperature                                 | Failure Rate                     | -                                            |
| Detailed Description            | 2.4pF ±0.1pF 10V Ceramic Capacitor X8R 0402 (1005 Metric) | Capacitance                      | 2.4pF                                        |
| Applications                    | General Purpose                                           |                                  |                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 4857787 pieces of KEMET C0402C249B8HAC7867 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
