

C0603C123M4JAC7867

**Part Number:** C0603C123M4JAC7867

**Manufacturer:** KEMET

**Description:** CAP CER 0.012UF 16V U2J 0603

**Data sheet:**  [U2J Dielectric, 10-50 VDC](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                         | 0.012µF ±20% 16V Ceramic Capacitor U2J 0603 (1608 Metric) | Capacitance                      | 0.012µF                                   |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                 | General Purpose                                           |                                  |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1018815 pieces of KEMET C0603C123M4JAC7867 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                           |                                  |                                           |
