

C0603C332G5JAC7867

Electronic Components

Part Number: C0603C332G5JAC7867

Manufacturer: KEMET

Description: CAP CER 3300PF 50V U2J 0603

Data sheet:  [U2J Dielectric, 10-50 VDC](#)

RoHs Status: Lead free / RoHS Compliant

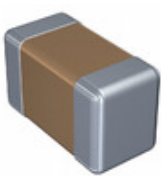

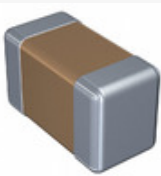

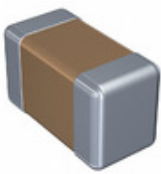

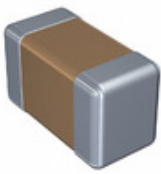

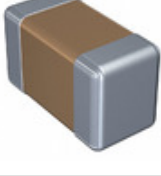

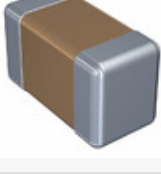

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                        | 3300pF ±2% 50V Ceramic Capacitor U2J 0603 (1608 Metric) | Capacitance                      | 3300pF                                    |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                | General Purpose                                         |                                  |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 743376 pieces of KEMET C0603C332G5JAC7867 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                         |                                  |                                           |
