

C0603C682M4JAC7867

Electronic Components

**KEMET**

CHARGED™

Part Number:

C0603C682M4JAC7867

Manufacturer:

KEMET

Description:

CAP CER 6800PF 16V U2J 0603

Data sheet:

 [U2J Dielectric, 10-50 VDC](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                         | 6800pF ±20% 16V Ceramic Capacitor U2J 0603 (1608 Metric) | Capacitance                      | 6800pF                                    |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                 | General Purpose                                          |                                  |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1374308 pieces of KEMET C0603C682M4JAC7867 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                  |                                           |
