

C0805C111M3HAC7800

Electronic Components

**KEMET**

CHARGED™

Part Number:

C0805C111M3HAC7800

Manufacturer:

KEMET

Description:

CAP CER 0805 110PF 25V ULTRA STA

Data sheet:

 [Ultra Stable, X8R Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                         | 110pF ±20% 25V Ceramic Capacitor X8R 0805 (2012 Metric) | Capacitance                      | 110pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                 | General Purpose                                         |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 4761424 pieces of KEMET C0805C111M3HAC7800 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                         |                                  |                                              |
