

C0805C331J2GALTU

Electronic Components  
**KEMET**  
CHARGED<sup>®</sup>

**Part Number:** C0805C331J2GALTU

**Manufacturer:** KEMET

**Description:** CAP CER 330PF 200V NP0 0805

**Data sheet:**  [C0G Dielectric, L Series 10-250 V](#)

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                               | 330pF                                                      | Applications                     | General Purpose                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 777958 pieces of KEMET C0805C331J2GALTU in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                  |                                                              |
