

C0805C333G8HAC7800

Electronic Components

**KEMET**

CHARGED

Part Number:

C0805C333G8HAC7800

Manufacturer:

KEMET

Description:

CAP CER 0805 33NF 10V ULTRA STAB

Data sheet:

 [Ultra Stable, X8R Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Quantity Available              | 669021 pcs                                               | Data sheet                       | <a href="#">Ultra Stable, X8R Dielectric</a> |
| Category                        | <a href="#">Capacitors</a>                               | Voltage - Rated                  | 10V                                          |
| Tolerance                       | ±2%                                                      | Thickness (Max)                  | 0.055" (1.40mm)                              |
| Temperature Coefficient         | X8R                                                      | Size / Dimension                 | 0.079" L x 0.049" W (2.00mm x 1.25mm)        |
| Series                          | C                                                        | Ratings                          | -                                            |
| Packaging                       | Tape & Reel (TR)                                         | Package / Case                   | 0805 (2012 Metric)                           |
| Other Names                     | C0805C333G8HACTU                                         | Operating Temperature            | -55°C ~ 150°C                                |
| Mounting Type                   | Surface Mount, MLCC                                      | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                |
| Manufacturer Standard Lead Time | 18 Weeks                                                 | Lead Spacing                     | -                                            |
| Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                               | Height - Seated (Max)            | -                                            |
| Features                        | Low ESL, High Temperature                                | Failure Rate                     | -                                            |
| Detailed Description            | 0.033µF ±2% 10V Ceramic Capacitor X8R 0805 (2012 Metric) | Capacitance                      | 0.033µF                                      |
| Applications                    | General Purpose                                          |                                  |                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 669021 pieces of KEMET C0805C333G8HAC7800 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
