

C0805C334K3RECAUTO7210

Electronic Components

**KEMET**

CHARGED

Part Number:

C0805C334K3RECAUTO7210

Manufacturer:

KEMET

Description:

CAP CER 0805 330NF 25V X7R 10%

Data sheet:

 [ESD, X7R Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

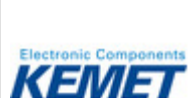

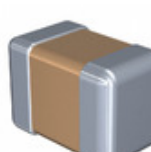

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                             | 0.33µF ±10% 25V Ceramic Capacitor X7R 0805 (2012 Metric) | Capacitance                     | 0.33µF                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                     | Automotive, Bypass, Decoupling, ESD Protection           |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1521157 pieces of KEMET C0805C334K3RECAUTO7210 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                 |                                       |
