

C0805X759C3HACAUTO

Electronic Components

CHARGED

Part Number: C0805X759C3HACAUTO

Manufacturer: KEMET

Description: CAP CER 0805 7.5PF 25V ULTRA STA

Data sheet:  [FT-CAP, Ultra Stable, X8R Dielectric](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                         | 7.5pF ±0.25pF 25V Ceramic Capacitor X8R 0805 (2012 Metric) | Capacitance                     | 7.5pF                                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                 | Automotive, Boardflex Sensitive                            |                                 |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1720656 pieces of KEMET C0805X759C3HACAUTO in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                 |                                                      |
