

C1206C152F1GALTU

**Electronic Components**  
**KEMET**  
CHARGED<sup>®</sup>

**Part Number:** [C1206C152F1GALTU](#)

**Manufacturer:** [KEMET](#)

**Description:** CAP CER 1500PF 100V NP0 1206

**Data sheet:**  [C0G Dielectric, L Series 10-250 V](#)

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                     | 1500pF ±1% 100V Ceramic Capacitor C0G, NP0 1206 (3216 Metric) | Capacitance                      | 1500pF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                               |                                  |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 74132 pieces of KEMET C1206C152F1GALTU in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                               |                                  |                                                   |
