

C1206C222J3GEC

Electronic Components

**KEMET**

CHARGED<sup>®</sup>

Part Number:

C1206C222J3GEC

Manufacturer:

KEMET

Description:

CAP CER 1206 2.2NF 25V C0G 5%

Data sheet:

 [ESD, COG Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 2200pF ±5% 25V Ceramic Capacitor C0G, NP0 1206 (3216 Metric) | Capacitance                     | 2200pF                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | ESD Protection                                               |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 201378 pieces of KEMET C1206C222J3GEC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                              |                                 |                                       |
