

C1206C302K5HAC7800

Part Number:

C1206C302K5HAC7800

Manufacturer:

KEMET

Description:

CAP CER 1206 3NF 50V ULTRA STABL

Data sheet:

 [Ultra Stable, X8R Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

|---------------------------------|----------------------------------------------------------|----------------------------------|----------------------------------------------|
| Part Number                     | C1206C302K5HAC7800                                       | Manufacturer                     | <a href="#">KEMET</a>                        |
| Description                     | CAP CER 1206 3NF 50V ULTRA STABL                         | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                   |
| Quantity Available              | 1766180 pcs                                              | Data sheet                       | <a href="#">Ultra Stable, X8R Dielectric</a> |
| Category                        | <a href="#">Capacitors</a>                               | Voltage - Rated                  | 50V                                          |
| Tolerance                       | ±10%                                                     | Thickness (Max)                  | 0.039" (1.00mm)                              |
| Temperature Coefficient         | X8R                                                      | Size / Dimension                 | 0.126" L x 0.063" W (3.20mm x 1.60mm)        |
| Series                          | C                                                        | Ratings                          | -                                            |
| Packaging                       | Tape & Reel (TR)                                         | Package / Case                   | 1206 (3216 Metric)                           |
| Other Names                     | C1206C302K5HACTU                                         | Operating Temperature            | -55°C ~ 150°C                                |
| Mounting Type                   | Surface Mount, MLCC                                      | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                |
| Manufacturer Standard Lead Time | 18 Weeks                                                 | Lead Spacing                     | -                                            |
| Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                               | Height - Seated (Max)            | -                                            |
| Features                        | Low ESL, High Temperature                                | Failure Rate                     | -                                            |
| Detailed Description            | 3000pF ±10% 50V Ceramic Capacitor X8R 1206 (3216 Metric) | Capacitance                      | 3000pF                                       |
| Applications                    | General Purpose                                          |                                  |                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1766180 pieces of KEMET C1206C302K5HAC7800 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
