

C1206C332J2REC7210

Electronic Components

**KEMET**

CHARGED™

Part Number:

C1206C332J2REC7210

Manufacturer:

KEMET

Description:

CAP CER 1206 3.3NF 200V X7R 5%

Data sheet:

 [ESD, X7R Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

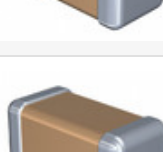

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                         | 3300pF ±5% 200V Ceramic Capacitor X7R 1206 (3216 Metric) | Capacitance                     | 3300pF                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                 | Bypass, Decoupling, ESD Protection                       |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1567235 pieces of KEMET C1206C332J2REC7210 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                 |                                       |
