

C1206C333KARECAUTO7210

Electronic Components

CHARGED

Part Number: C1206C333KARECAUTO7210

Manufacturer: KEMET

Description: CAP CER 1206 33NF 250V X7R 10%

Data sheet:  [ESD, X7R Dielectric](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                             | 0.033µF ±10% 250V Ceramic Capacitor X7R 1206 (3216 Metric) | Capacitance                     | 0.033µF                               |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                     | Automotive, Bypass, Decoupling, ESD Protection             |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1648726 pieces of KEMET C1206C333KARECAUTO7210 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                 |                                       |
