

C1206C563J4HAC7800

Electronic Components

Part Number: [C1206C563J4HAC7800](#)

Manufacturer: [KEMET](#)

Description: CAP CER 1206 56NF 16V ULTRA STAB

Data sheet:  [Ultra Stable, X8R Dielectric](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                        | 0.056µF ±5% 16V Ceramic Capacitor X8R 1206 (3216 Metric) | Capacitance                      | 0.056µF                                      |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                | General Purpose                                          |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 735164 pieces of KEMET C1206C563J4HAC7800 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                  |                                              |
