

C1210C334M5VACTU

Electronic Components

CHARGED

Part Number: [C1210C334M5VACTU](#)

Manufacturer: [KEMET](#)

Description: CAP CER 0.33UF 50V Y5V 1210

Data sheet:  [Y5V Dielectric, 6.3-50 VDC](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                               | 0.33µF                               | Applications                     | General Purpose                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 395264 pieces of KEMET C1210C334M5VACTU in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                      |                                  |                                                              |
