

C1210X101J1HACAUTO

Electronic Components

**KEMET**

CHARGED<sup>®</sup>

Part Number:

C1210X101J1HACAUTO

Manufacturer:

KEMET

Description:

CAP CER 1210 100PF 100V ULTRA ST

Data sheet:

 [FT-CAP, Ultra Stable, X8R Dielectric](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

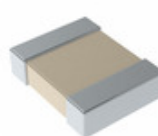

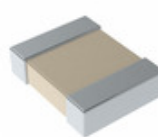

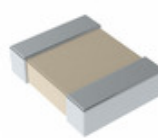

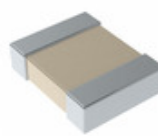

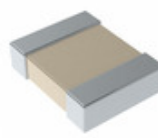

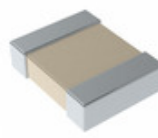

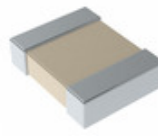

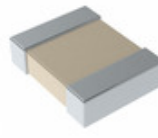

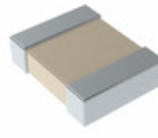

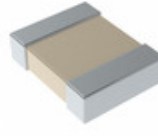

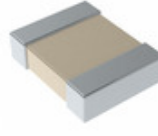

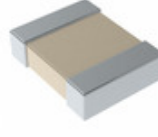

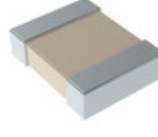

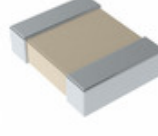

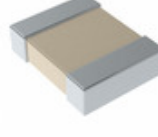

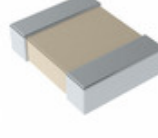

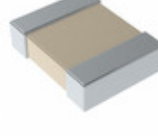

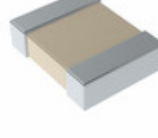

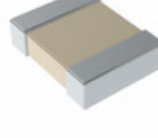

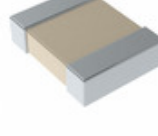

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                        | 100pF ±5% 100V Ceramic Capacitor X8R 1210 (3225 Metric) | Capacitance                     | 100pF                                                |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                | Automotive, Boardflex Sensitive                         |                                 |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 730938 pieces of KEMET C1210X101J1HACAUTO in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                         |                                 |                                                      |
