

C1812C154K3JAC7800

Electronic Components

**KEMET**

CHARGED<sup>®</sup>

Part Number: C1812C154K3JAC7800

Manufacturer: KEMET

Description: CAP CER 0.15UF 25V U2J 1812

Data sheet:  [U2J Dielectric, 10-50 VDC](#)

RoHs Status: Lead free / RoHS Compliant

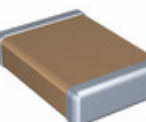

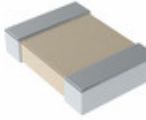

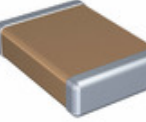

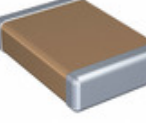

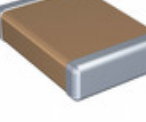

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                        | 0.15µF ±10% 25V Ceramic Capacitor U2J 1810 (4525 Metric) | Capacitance                      | 0.15µF                                    |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                | General Purpose                                          |                                  |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 152692 pieces of KEMET C1812C154K3JAC7800 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                  |                                           |
