| Tolerance                        | ±10%                             | Thickness (Max)                | -                                                |
| Temperature Coefficient          | C0G, NP0                         | Size / Dimension               | 0.150" L x 0.100" W (3.81mm x 2.54mm)            |
| Series                           | Goldmax, 300                     | Ratings                        | -                                                |
| Packaging                        | Bulk                             | Package / Case                 | Radial                                           |
| Operating Temperature            | -55°C ~ 125°C                    | Mounting Type                  | Through Hole                                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                    | Lead Style                     | Formed Leads - Kinked                            |
| Lead Spacing                     | 0.100" (2.54mm)                  | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                       |
| Height - Seated (Max)            | 0.230" (5.84mm)                  | Features                       | Low ESL                                          |
| Failure Rate                     | -                                | Detailed Description           | 13pF ±10% 250V Ceramic Capacitor C0G, NP0 Radial |
| Capacitance                      | 13pF                             | Applications                   | General Purpose                                  |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 476952 pieces of KEMET C316C130KAG5TA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
