

C3216X5R1A335M/0.85

Part Number:

C3216X5R1A335M/0.85

Manufacturer:

TDK Corporation

Description:

CAP CER 3.3UF 10V X5R 1206

Data sheet:

C Series, General

MLCC Part Number Guide

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

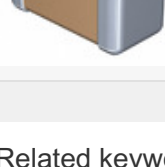

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                              | 3.3µF ±20% 10V Ceramic Capacitor X5R 1206 (3216 Metric) | Capacitance                      | 3.3µF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                      | General Purpose                                         |                                  |                                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all TDK Corporation series electronic components. We have 182995 pieces of TDK Corporation C3216X5R1A335M/0.85 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                         |                                  |                                             |
