

CAT1026YI-28-GT3

ON Semiconductor®

Part Number:

CAT1026YI-28-GT3

Manufacturer:

AMI Semiconductor / ON Semiconductor

Description:

IC SUPERVISOR CPU 2K EEPR 8TSSOP

Data sheet:

 CAT1026-27

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

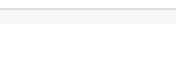

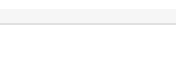

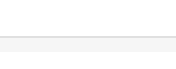

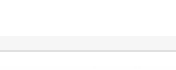

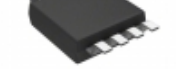

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Description                                                                                                                                                                                                                                                                                                                                                                                                                                          | IC SUPERVISOR CPU 2K EEPR 8TSSOP                          | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant           |
| Quantity Available                                                                                                                                                                                                                                                                                                                                                                                                                                   | 76011 pcs                                                 | Data sheet                       | CAT1026-27                           |
| Category                                                                                                                                                                                                                                                                                                                                                                                                                                             | Integrated Circuits (ICs)                                 | Voltage - Threshold              | 2.85V, Adj                           |
| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Multi-Voltage Supervisor                                  | Supplier Device Package          | 8-TSSOP                              |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                               | -                                                         | Reset Timeout                    | 130 ms Minimum                       |
| Reset                                                                                                                                                                                                                                                                                                                                                                                                                                                | Active High/Active Low                                    | Packaging                        | Tape & Reel (TR)                     |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                       | 8-TSSOP (0.173", 4.40mm Width)                            | Output                           | Open Drain or Open Collector         |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                                | -40°C ~ 85°C (TA)                                         | Number of Voltages Monitored     | 2                                    |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                        | Surface Mount                                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                        |
| Manufacturer Standard Lead Time                                                                                                                                                                                                                                                                                                                                                                                                                      | 24 Weeks                                                  | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant           |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                 | Supervisor Open Drain or Open Collector 2 Channel 8-TSSOP | Base Part Number                 | CAT1026                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 76011 pieces of AMI Semiconductor / ON Semiconductor CAT1026YI-28-GT3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours. RFQ Email: info@Components-World.com |                                                           |                                  |                                      |

|  | Part#: CAT1026ZI-28-GT3<br>Description: IC SUPERVISOR CPU 2K EEPR 8MSOP  | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026LI-45-G<br>Description: IC SUPERVISR CPU 2K EEPROM 8DIP    | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026WI-45-GT3<br>Description: IC SUPERVISOR CPU 2K EEPR 8SOIC  | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026WI-42-GT3<br>Description: IC SUPERVISOR CPU 2K EEPR 8SOIC  | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026ZI-25-GT3<br>Description: IC SUPERVISOR CPU 2K EEPR 8MSOP  | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026ZI-45-GT3<br>Description: IC SUPERVISOR CPU 2K EEPR 8MSOP  | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026LI-28-G<br>Description: IC SUPERVISR CPU 2K EEPROM 8DIP    | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1026ZI-30-GT3<br>Description: IC SUPERVISOR CPU 2K EEPR 8MSOP  | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |

Related keywords for CAT1026YI-28-GT3

|                                        |                                      |                                           |                                            |
