

CAT1641WI-25-GT3

ON Semiconductor®  
Part Number: CAT1641WI-25-GT3  
Manufacturer: AMI Semiconductor / ON Semiconductor  
Description: IC SUPERVISOR CPU 64K EEPR 8SOIC  
Data sheet:  CAT1640-41

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                                                               | Integrated Circuits (ICs)        | Voltage - Threshold              | 2.55V                                                    |
| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Simple Reset/Power-On Reset      | Supplier Device Package          | 8-SOIC                                                   |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                 | -                                | Reset Timeout                    | 130 ms Minimum                                           |
| Reset                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Active High                      | Packaging                        | Tape & Reel (TR)                                         |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                         | 8-SOIC (0.154", 3.90mm Width)    | Output                           | Open Drain or Open Collector                             |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                                  | -40°C ~ 85°C (TA)                | Number of Voltages Monitored     | 1                                                        |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                          | Surface Mount                    | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                            |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                         | Lead free / RoHS Compliant       | Detailed Description             | Supervisor Open Drain or Open Collector 1 Channel 8-SOIC |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                       | CAT1641                          |                                  |                                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 5419 pieces of AMI Semiconductor / ON Semiconductor CAT1641WI-25-GT3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                  |                                  |                                                          |

|  | Part#: CAT1640YI30<br>Description: IC SUPERVISOR CPU 8TSSOP              | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1641WI-28-GT3<br>Description: IC SUPERVISOR CPU 64K EEPR 8SOIC | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1641YI-28-GT3<br>Description: IC SUPERVISOR CPU 64K EEPR 8TSSO | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1640YI28<br>Description: IC SUPERVISOR CPU 8TSSOP              | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1641LI-45-G<br>Description: IC SUPERVSR CPU 64K EEPROM 8DIP    | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1641LI-30-G<br>Description: IC SUPERVSR CPU 64K EEPROM 8DIP    | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1641YI-45-GT3<br>Description: IC SUPERVISOR CPU 64K EEPR 8TSSO | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: CAT1641WI-45-GT3<br>Description: IC SUPERVISOR CPU 64K EEPR 8SOIC | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
