Buy CBR06C789B5GAC with confidence from  
Component-World.HK, 1 Year Warranty

Electronic Components

Part Number: CBR06C789B5GAC

Manufacturer KEMET

Description CAP CER RF 7.8PF 50V +/-0.1 PF C

Data sheet:  [HiQ-CBR Series, C0G, Low ESR](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                        |                                  |                                  |                                                                |

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                              | 7.8pF                            | Applications                     | RF, Microwave, High Frequency                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1340886 pieces of KEMET CBR06C789B5GAC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                  |                                  |                                                                |
