

CDR31BP7R5BDZ RAT

Part Number: [CDR31BP7R5BDZ RAT](#)

Manufacturer [Electro-Films \(EFI\) / Vishay](#)

Description CAP CER 7.5PF 100V BP 0805

Data sheet:  [CDR Series \(MIL-PRF-55681\)](#)

RoHS Status: Lead free / RoHS Compliant

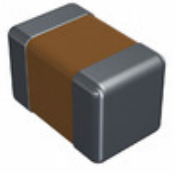

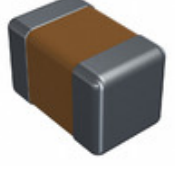

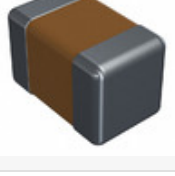

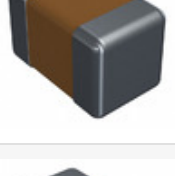

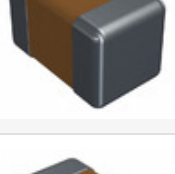

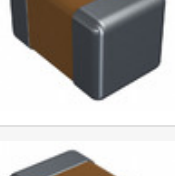

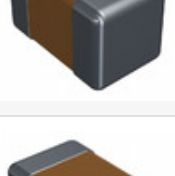

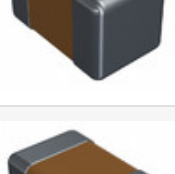

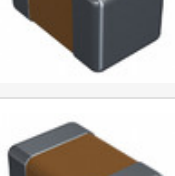

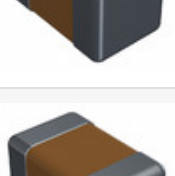

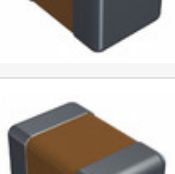

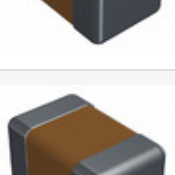

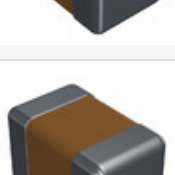

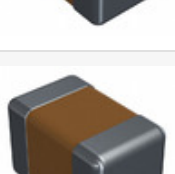

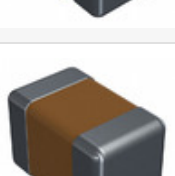

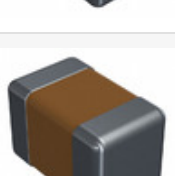

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                      | 7.5pF ±0.5pF 100V Ceramic Capacitor BP 0805 (2012 Metric) | Capacitance                     | 7.5pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                              | General Purpose                                           |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 223669 pieces of Electro-Films (EFI) / Vishay CDR31BP7R5BDZ RAT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                           |                                 |                                              |
