

CGA2B2X8R1H332M050BE

Part Number: [CGA2B2X8R1H332M050BE](#)

Manufacturer: [TDK Corporation](#)

Description: CAP CER 3300PF 50V X8R 0402

Data sheet:  [CGA Series, Automotive Soft Term Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                               | 3300pF ±20% 50V Ceramic Capacitor X8R 0402 (1005 Metric) | Capacitance                      | 3300pF                                                     |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Automotive, Boardflex Sensitive                          |                                  |                                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all TDK Corporation series electronic components. We have 1306316 pieces of TDK Corporation CGA2B2X8R1H332M050BE in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                  |                                                            |
