

CK45-B3FD271KYNR

Part Number: [CK45-B3FD271KYNR](#)

Manufacturer [TDK Corporation](#)

Description CAP CER 270PF 3KV RADIAL

Data sheet:  [CK45-RB Series \(KYNR\)](#)  
 [CK45-RB Series \(KYxRA, KYxR\)](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                          | 270pF ±10% 3000V (3kV) Ceramic Capacitor B Radial, Disc | Capacitance                     | 270pF                                                                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                  | General Purpose                                         |                                 |                                                                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all TDK Corporation series electronic components. We have 630072 pieces of TDK Corporation CK45-B3FD271KYNR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                         |                                 |                                                                                       |
