

CL10A105MQ8NNNC

Part Number: [CL10A105MQ8NNNC](#)

Manufacturer: [Samsung Electro-Mechanics America, Inc.](#)

Description: CAP CER 1UF 6.3V X5R 0603

Data sheet:  [CL10A105MQ8NNNC Spec](#)  
 [MLCC Catalog](#)  
 [CL10A105MQ8NNNC Characteristics](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                       | <a href="#">Capacitors</a> | Voltage - Rated                  | 6.3V                                                                                                                    |
| Tolerance                      | ±20%                       | Thickness (Max)                  | 0.035" (0.90mm)                                                                                                         |
| Temperature Coefficient        | X5R                        | Size / Dimension                 | 0.063" L x 0.032" W (1.60mm x 0.80mm)                                                                                   |
| Series                         | CL                         | Ratings                          | -                                                                                                                       |
| Packaging                      | Tape & Reel (TR)           | Package / Case                   | 0603 (1608 Metric)                                                                                                      |
| Other Names                    | 1276-1867-2                | Operating Temperature            | -55°C ~ 85°C                                                                                                            |
| Mounting Type                  | Surface Mount, MLCC        | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                                           |
| Lead Style                     | -                          | Lead Spacing                     | -                                                                                                                       |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant | Height - Seated (Max)            | -                                                                                                                       |
| Features                       | -                          | Detailed Description             | 1µF ±20% 6.3V Ceramic Capacitor X5R 0603 (1608 Metric)                                                                  |
| Capacitance                    | 1µF                        | Applications                     | General Purpose                                                                                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Samsung Electro-Mechanics America, Inc. series electronic components. We have 2915788 pieces of Samsung Electro-Mechanics America, Inc. CL10A105MQ8NNNC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
