

CL21B475KQQNNNG

Part Number: [CL21B475KQQNNNG](#)

Manufacturer: [Samsung Electro-Mechanics America, Inc.](#)

Description: CAP CER 4.7UF 6.3V X7R 0805

Data sheet:  [CL Series, MLCC Datasheet](#)  
 [MLCC Catalog](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Capacitors</a>                               | Voltage - Rated                | 6.3V                                                                      |
| Tolerance                        | ±10%                                                     | Thickness (Max)                | 0.055" (1.40mm)                                                           |
| Temperature Coefficient          | X7R                                                      | Size / Dimension               | 0.079" L x 0.049" W (2.00mm x 1.25mm)                                     |
| Series                           | CL                                                       | Ratings                        | -                                                                         |
| Packaging                        | Tape & Reel (TR)                                         | Package / Case                 | 0805 (2012 Metric)                                                        |
| Operating Temperature            | -55°C ~ 125°C                                            | Mounting Type                  | Surface Mount, MLCC                                                       |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                            | Lead Style                     | -                                                                         |
| Lead Spacing                     | -                                                        | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                                |
| Height - Seated (Max)            | -                                                        | Features                       | -                                                                         |
| Detailed Description             | 4.7µF ±10% 6.3V Ceramic Capacitor X7R 0805 (2012 Metric) | Capacitance                    | 4.7µF                                                                     |
| Applications                     | General Purpose                                          |                                |                                                                           |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Samsung Electro-Mechanics America, Inc. series electronic components. We have 2384302 pieces of Samsung Electro-Mechanics America, Inc. CL21B475KQQNNNG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
