

CL21X475KQFNNG

Images are for reference only.  
See Product Specifications for product details.  
Buy CL21X475KQFNNG with confidence from  
Component-World.HK, 1 Year Warranty

**Part Number:** [CL21X475KQFNNG](#)

**Manufacturer** [Samsung Electro-Mechanics America, Inc.](#)

**Description** CAP CER 4.7UF 6.3V X6S 0805

**Data sheet:**  [CL Series, MLCC Datasheet](#)

**RoHs Status:** Lead free / RoHS Compliant

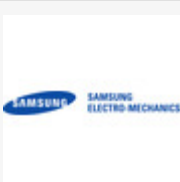

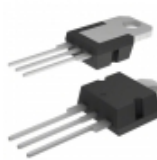

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| Quantity Available               | 830859 pcs                                               | Data sheet                     | <a href="#">CL Series, MLCC Datasheet</a>               |
| Category                         | <a href="#">Capacitors</a>                               | Voltage - Rated                | 6.3V                                                    |
| Tolerance                        | ±10%                                                     | Thickness (Max)                | 0.053" (1.35mm)                                         |
| Temperature Coefficient          | X6S                                                      | Size / Dimension               | 0.079" L x 0.049" W (2.00mm x 1.25mm)                   |
| Series                           | CL                                                       | Ratings                        | -                                                       |
| Packaging                        | Tape & Reel (TR)                                         | Package / Case                 | 0805 (2012 Metric)                                      |
| Operating Temperature            | -55°C ~ 105°C                                            | Mounting Type                  | Surface Mount, MLCC                                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                            | Lead Style                     | -                                                       |
| Lead Spacing                     | -                                                        | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                              |
| Height - Seated (Max)            | -                                                        | Features                       | -                                                       |
| Detailed Description             | 4.7µF ±10% 6.3V Ceramic Capacitor X6S 0805 (2012 Metric) | Capacitance                    | 4.7µF                                                   |
| Applications                     | General Purpose                                          |                                |                                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Samsung Electro-Mechanics America, Inc. series electronic components. We have 830859 pieces of Samsung Electro-Mechanics America, Inc. CL21X475KQFNNG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
