

CPC7508BTR

Part Number: [CPC7508BTR](#)

Manufacturer: [IXYS Integrated Circuits Division](#)

Description: IC SLICS ACCESS RING 16SOIC

Data sheet:  [CPC7508](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 16-SOIC                                   | Series                         | -                                                 |
| Power (Watts)                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 25mW                                      | Packaging                      | Tape & Reel (TR)                                  |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 16-SOIC (0.295", 7.50mm Width)            | Operating Temperature          | -40°C ~ 110°C                                     |
| Number of Circuits                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1                                         | Mounting Type                  | Surface Mount                                     |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1 (Unlimited)                             | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                        |
| Interface                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | -                                         | Includes                       | Bounce-Free Switching, Tertiary Protection        |
| Function                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Line Card Access Switch                   | Detailed Description           | Telecom IC Line Card Access Switch 16-SOIC        |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1.67mA                                    |                                |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all IXYS Integrated Circuits Division series electronic components. We have 59315 pieces of IXYS Integrated Circuits Division CPC7508BTR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                                   |

|  | Part#: <a href="#">CPC7512Z</a><br>Description: IC ANALOG SW ARRAY DUAL 20SOIC     | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7232KTR</a><br>Description: IC ANALOG SWITCH 8CH HV 48-LQFP  | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7232W</a><br>Description: IC ANALOG SWITCH 8CH HV 28-PLCC    | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC60GH</a><br>Description: PRESSURE SENSOR GAGE 60PSI 4SIP     | Manufacturers: <a href="#">Honeywell Sensing and Productivity Solutions</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7524B</a><br>Description: 600V QUAD ISOLATED ANALOG SWITCH   | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7514ZTR</a><br>Description: IC ANALOG SW ARRAY QUAD 20-SOIC  | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC75282KATR</a><br>Description: IC LINE CARD ACCESS SW 44-TQFP | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7556N</a><br>Description: IC DIODE BRIDGE 100V W/OVP 8SOIC   | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7508B</a><br>Description: IC SLICS ACCESS RING 16SOIC        | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7220W</a><br>Description: IC ANALOG SWITCH 8CH HV 28-PLCC    | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7512ZTR</a><br>Description: IC ANALOG SW ARRAY DUAL 20SOIC   | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7220KTR</a><br>Description: IC ANALOG SWITCH 8CH HV 48-LQFP  | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7220WTR</a><br>Description: IC ANALOG SWITCH 8CH HV 28-PLCC  | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7232WTR</a><br>Description: IC ANALOG SWITCH 8CH HV 28-PLCC  | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7556NTR</a><br>Description: IC DIODE BRIDGE 100V W/OVP 8SOIC | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7514Z</a><br>Description: IC LINE CARD ACCESS SWITC 20SOIC   | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7524BTR</a><br>Description: 600V QUAD ISOLATED ANALOG SWITCH | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7232K</a><br>Description: IC ANALOG SWITCH 8CH HV 48-LQFP    | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
|  | Part#: <a href="#">CPC7220K</a><br>Description: IC ANALOG SWITCH 8CH HV 48-LQFP    | Manufacturers: <a href="#">IXYS Integrated Circuits Division</a>            | <div>RFQ</div> |
