

CWR06NC105KB/PR

Part Number: CWR06NC105KB/PR

Manufacturer Electro-Films (EFI) / Vishay

Description CAP TANT 1.0UF 10% 50V 2010

Data sheet:  CWR06 Series (MIL-PRF-55365/4)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                    | 6 Ohm                                 | Detailed Description             | 1µF Conformal Coated Tantalum Capacitors 50V 2010 (5125 Metric) 6 Ohm |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                           | 1µF                                   |                                  |                                                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 3502 pieces of Electro-Films (EFI) / Vishay CWR06NC105KB/PR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                       |                                  |                                                                       |
