

CY7C68000-56LFXCT

Part Number:

CY7C68000-56LFXCT

Manufacturer:

Cypress Semiconductor

Description:

IC USB 2.0 TX2 TXRX 56VQFN

Data sheet:

 [CY7C68000](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Transceiver                               | Supplier Device Package          | 56-QFN (8x8)                          |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | CY7C                                      | Protocol                         | USB 2.0                               |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Tape & Reel (TR)                          | Package / Case                   | 56-VFQFN Exposed Pad                  |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 0°C ~ 70°C                                | Number of Drivers/Receivers      | 1/1                                   |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Surface Mount                             | Moisture Sensitivity Level (MSL) | 3 (168 Hours)                         |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                           | Lead free / RoHS Compliant                | Duplex                           | Full                                  |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/1 Transceiver Full USB 2.0 56-QFN (8x8) | Data Rate                        | -                                     |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                         | CY7C68000                                 |                                  |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cypress Semiconductor series electronic components. We have 5710 pieces of Cypress Semiconductor CY7C68000-56LFXCT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                       |

|  | Part#: <a href="#">CY7C68000A-56LFXC</a><br>Description: IC USB 2.0 TX2 TXRX 56VQFN       | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C67300-100AXIT</a><br>Description: IC USB HOST/PERIPH CNTRL 100LQFP | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000-56LFXC</a><br>Description: IC USB 2.0 TX2 TXRX 56VQFN        | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000-56PVXCT</a><br>Description: IC USB 2.0 TX2 TXRX 56-SSOP      | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C67300-100AXA</a><br>Description: IC USB HOST/PERIPH CNTRL 100LQFP  | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000A-56LTXCT</a><br>Description: IC TXRX USB 2.0 TX2 56VQFN      | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C67300-100AXI</a><br>Description: IC USB HOST/PERIPH CNTRL 100LQFP  | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000A-56LTXC</a><br>Description: IC TXRX USB 2.0 TX2 56VQFN       | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C67300-100AXAT</a><br>Description: IC USB HOST/PERIPH CNTRL 100LQFP | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000-56PVXC</a><br>Description: IC USB 2.0 TX2 TXRX 56-SSOP       | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C67200-48BAXI</a><br>Description: IC CONTROLLER USB 48FBGA          | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000A-56LFXCT</a><br>Description: IC USB 2.0 TX2 TXRX 56VQFN      | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C66113C-LTXCT</a><br>Description: IC MCU 8K USB HUB 4PORT 56VQFN    | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68001-56LFXC</a><br>Description: IC USB INTERFACE SX2 56VQFN       | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
|  | Part#: <a href="#">CY7C68000A-56BAXC</a><br>Description: IC USB 2.0 TX2 TXRX 56VFBGA      | Manufacturers: <a href="#">Cypress Semiconductor</a> | <div>RFQ</div> |
