

D569C20U2JL6TJ5R

**Part Number:** [D569C20U2JL6TJ5R](#)

**Manufacturer:** [Electro-Films \(EFI\) / Vishay](#)

**Description:** CAP CER 5.6PF 500V U2J RADIAL

**Data sheet:**

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 5.6pF ±0.25pF 500V Ceramic Capacitor U2J Radial, Disc | Capacitance                     | 5.6pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                       |                                 |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 919192 pieces of Electro-Films (EFI) / Vishay D569C20U2JL6TJ5R in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                       |                                 |                                              |
