Buy DCK-3R3E204T614-E with confidence from  
Component-World.HK, 1 Year Warranty

**ELNA**  
AMERICA, INC.

**Part Number:** [DCK-3R3E204T614-E](#)

**Manufacturer:** [Elna America](#)

**Description:** CAP 200MF -20% +80% 3.3V SMD

**Data sheet:**  [DC, DCK Series](#)

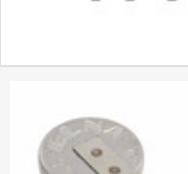

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 200mF (EDLC) Supercapacitor 3.3V Coin, Thin Terminals - Same Sides 200 Ohm @ 1kHz 1000 Hrs @ 60°C | Capacitance                        | 200mF                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Elna America series electronic components. We have 118894 pieces of Elna America DCK-3R3E204T614-E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                   |                                    |                                   |
