

DE6E3KJ222MB3B

  
INNOVATOR IN ELECTRONICS

**Part Number:** [DE6E3KJ222MB3B](#)

**Manufacturer:** [Murata Electronics](#)

**Description:** CAP CER 2200PF 300VAC RADIAL

**Data sheet:**  [Safety Cert, High Volt Ceramic Catalog](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                              | 2200pF ±20% 300VAC Ceramic Capacitor E Radial, Disc | Capacitance                    | 2200pF                                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Safety, Automotive                                  |                                |                                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Murata Electronics series electronic components. We have 271312 pieces of Murata Electronics DE6E3KJ222MB3B in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                     |                                |                                                        |
