

DME2P1K-F

Part Number:

DME2P1K-F

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP FILM 0.1UF 10% 250VDC RADIAL

Data sheet:

 [DME Type](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 0.1µF Film Capacitor 160V 250V Polyester, Metallized Radial | Capacitance                      | 0.1µF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | General Purpose                                             |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 191002 pieces of Cornell Dubilier Electronics DME2P1K-F in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                             |                                  |                                              |
