

E36D160LPN124TC79M

**Part Number:** [E36D160LPN124TC79M](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 120000UF 16V SCREW

**Data sheet:**  [U36D/E36D Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                            | 120000µF 16V Aluminum Electrolytic Capacitors Radial, Can - Screw Terminals 2000 Hrs @ 85°C |                                    | Capacitance                      | 120000µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                    | General Purpose                                                                             |                                    |                                  |          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 9916 pieces of Nippon Chemi-Con E36D160LPN124TC79M in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                             |                                    |                                  |          |
