

ECW-F4564JB

**Part Number:** [ECW-F4564JB](#)

**Manufacturer** [Panasonic](#)

**Description** CAP FILM 0.56UF 5% 400VDC RADIAL

**Data sheet:**

**RoHs Status:** Lead free / RoHS Compliant

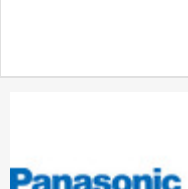

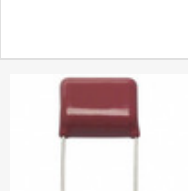

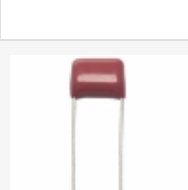

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                        | 0.56µF Film Capacitor 400V Polypropylene (PP), Metallized Radial |                                  | Capacitance                             | 0.56µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                | High Frequency, Switching                                        |                                  |                                         |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Panasonic series electronic components. We have 68716 pieces of Panasonic ECW-F4564JB in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                  |                                  |                                         |        |
