

ECW-HA3C102JB

Part Number: [ECW-HA3C102JB](#)

Manufacturer [Panasonic](#)

Description CAP FILM 1000PF 5% 1.6KVDC RAD

Data sheet:  [ECWH Series, \(Suffix A\)](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                           | 1000pF Film Capacitor 1600V (1.6kV) Polypropylene (PP), Metallized Radial |                                  | Capacitance                             | 1000pF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                   | High Frequency, Switching                                                 |                                  |                                         |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Panasonic series electronic components. We have 360170 pieces of Panasonic ECW-HA3C102JB in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                           |                                  |                                         |        |
