

EGPA250ELL472MM30S

**Part Number:** [EGPA250ELL472MM30S](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 4700UF 20% 25V RADIAL

**Data sheet:**  [GPA Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                      | 4700µF 25V Aluminum Electrolytic Capacitors Radial, Can 22 mOhm @ 100kHz 5000 Hrs @ 125°C |                                    | Capacitance                      | 4700µF |
| Applications                                                                                                                                                                                                                                                                                                                                                              | Automotive                                                                                |                                    |                                  |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 99364 pieces of Nippon Chemi-Con EGPA250ELL472MM30S in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours. |                                                                                           |                                    |                                  |        |
