

EGPA630ELL122MM30S

UNITED  
CHEMI-CON

Part Number:

EGPA630ELL122MM30S

Manufacturer:

Nippon Chemi-Con

Description:

CAP ALUM 1200UF 20% 63V RADIAL

Data sheet:

 [GPA Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                              | 1200µF 63V Aluminum Electrolytic Capacitors Radial, Can 41 mOhm @ 100kHz 5000 Hrs @ 125°C |                                    |                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                      | Automotive                                                                                |                                    |                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 65137 pieces of Nippon Chemi-Con EGPA630ELL122MM30S in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                           |                                    |                                  |
