

EKMH160VNN223MR35W

**Part Number:** [EKMH160VNN223MR35W](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 22000UF 20% 16V SNAP

**Data sheet:**  [KMH Series Bulletin](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                              | 22000µF 16V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 30 mOhm @ 120Hz 2000 Hrs @ 105°C | Capacitance                        | 22000µF                             |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                      | General Purpose                                                                                     |                                    |                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 50107 pieces of Nippon Chemi-Con EKMH160VNN223MR35W in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                                     |                                    |                                     |
