

EL5205IS-T13

A Renesas Company

Part Number: [EL5205IS-T13](#)

Manufacturer: [Intersil](#)

Description: IC OPAMP VFB 700MHZ 8SOIC

Data sheet:  [EL5104](#), [EL5105](#), [EL5204](#), [EL5205](#), [EL5304](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

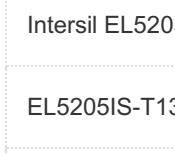

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a>   | Voltage - Supply, Single/Dual (±) | 4 V ~ 13.2 V, ±2 V ~ 6.6 V                                                                                                 |
| Voltage - Input Offset           | 3mV                                         | Supplier Device Package           | 8-SOIC                                                                                                                     |
| Slew Rate                        | 3000 V/μs                                   | Series                            | -                                                                                                                          |
| Packaging                        | Tape & Reel (TR)                            | Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                                                                                              |
| Output Type                      | -                                           | Operating Temperature             | -40°C ~ 85°C                                                                                                               |
| Number of Circuits               | 2                                           | Mounting Type                     | Surface Mount                                                                                                              |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                               | Lead Free Status / RoHS Status    | Contains lead / RoHS non-compliant                                                                                         |
| Detailed Description             | Voltage Feedback Amplifier 2 Circuit 8-SOIC | Current - Supply                  | 9.5mA                                                                                                                      |
| Current - Input Bias             | 8μA                                         | Base Part Number                  | EL5205                                                                                                                     |
| Amplifier Type                   | Voltage Feedback                            | -3db Bandwidth                    | 700MHz                                                                                                                     |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Intersil series electronic components. We have 4789 pieces of Intersil EL5205IS-T13 in stock available now.  
Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
