

ELXS201VSN182MR50S

**Part Number:** [ELXS201VSN182MR50S](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 1800UF 20% 200V SNAP

**Data sheet:**  [LXS Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1800µF 200V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 5000 Hrs @ 105°C | Capacitance                        | 1800µF                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                     | General Purpose                                                                     |                                    |                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 24901 pieces of Nippon Chemi-Con ELXS201VSN182MR50S in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                     |                                    |                                  |
