

EMVE160GDA332MLN0S

Part Number: [EMVE160GDA332MLN0S](#)

Manufacturer: [Nippon Chemi-Con](#)

Description: CAP ALUM 3300UF 20% 16V SMD

Data sheet:  [MVE Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                             | 3300µF 16V Aluminum Electrolytic Capacitors Radial, Can - SMD 2000 Hrs @ 105°C | Capacitance                        | 3300µF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                     | General Purpose                                                                |                                    |                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 33981 pieces of Nippon Chemi-Con EMVE160GDA332MLN0S in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                |                                    |                                         |
