

EMVE6R3GDA472MMH0S

**Part Number:** [EMVE6R3GDA472MMH0S](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 4700UF 20% 6.3V SMD

**Data sheet:**  [MVE Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                             | 4700µF 6.3V Aluminum Electrolytic Capacitors Radial, Can - SMD 2000 Hrs @ 105°C | Capacitance                        | 4700µF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                     | General Purpose                                                                 |                                    |                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 45994 pieces of Nippon Chemi-Con EMVE6R3GDA472MMH0S in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                 |                                    |                                         |
