

EMZA350ADA101MHA0G

Part Number: [EMZA350ADA101MHA0G](#)

Manufacturer: [Nippon Chemi-Con](#)

Description: CAP ALUM 100UF 20% 35V SMD

Data sheet:  [MZA Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                               | 100µF 35V Aluminum Electrolytic Capacitors Radial, Can - SMD 2000 Hrs @ 105°C | Capacitance                        | 100µF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                       | Automotive                                                                    |                                    |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 120949 pieces of Nippon Chemi-Con EMZA350ADA101MHA0G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                               |                                    |                                       |
