

EMZS350ARA471MHA0G

**Part Number:** [EMZS350ARA471MHA0G](#)

**Manufacturer:** [Nippon Chemi-Con](#)

**Description:** CAP ALUM 470UF 20% 35V SMD

**Data sheet:**  [MZS Series Prod Info](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                              | 470µF 35V Aluminum Electrolytic Capacitors Radial, Can - SMD 80 mOhm @ 100kHz 2000 Hrs @ 105°C | Capacitance                        | 470µF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Automotive                                                                                     |                                    |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nippon Chemi-Con series electronic components. We have 248048 pieces of Nippon Chemi-Con EMZS350ARA471MHA0G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                |                                    |                                       |
