

ENC28J60T/SS

Part Number: [ENC28J60T/SS](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC ETHERNET CTRLR W/SPI 28SSOP

Data sheet:  [Development Tools Catalog](#)  
 [ENC28J60 Datasheet](#)  
 [ENC28J60 Revision B7 Errata](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

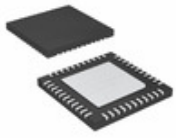

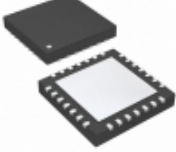

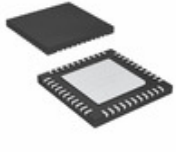

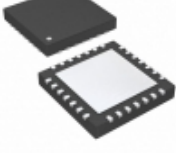

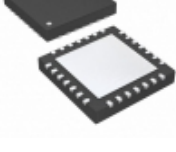

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package         | 28-SSOP                                                 | Standards                        | 10 Base-T PHY                                                                                                                  |
| Series                          | -                                                       | Protocol                         | Ethernet                                                                                                                       |
| Packaging                       | Tape & Reel (TR)                                        | Package / Case                   | 28-SSOP (0.209", 5.30mm Width)                                                                                                 |
| Operating Temperature           | 0°C ~ 70°C                                              | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                                                  |
| Manufacturer Standard Lead Time | 23 Weeks                                                | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                                                     |
| Interface                       | SPI                                                     | Function                         | Controller                                                                                                                     |
| Detailed Description            | Ethernet Controller 10 Base-T PHY SPI Interface 28-SSOP | Current - Supply                 | 160mA                                                                                                                          |
| Base Part Number                | ENC28J60                                                |                                  |                                                                                                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 38817 pieces of Micrel / Microchip Technology ENC28J60T/SS in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
