Request For Quotation

Part Number: EP20K200EQC208-1

Manufacturer: Altera (Intel® Programmable Solutions Group)

Description: IC FPGA 136 I/O 208QFP

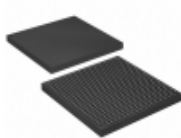

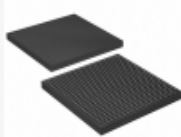

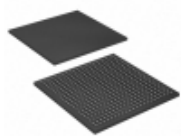

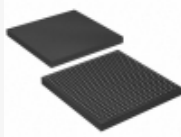

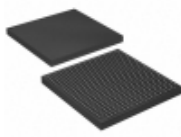

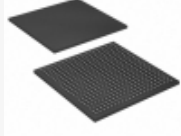

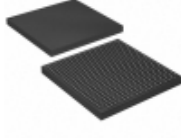

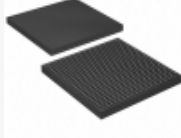

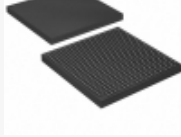

Data sheet:  [APEX 20K Family Datasheet](#)  
 [208-PQFP Pkg Info](#)  
 [Virtual JTAG Megafuntion User Guide](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                           |                                |                                                                                                                                       |

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Altera (Intel® Programmable Solutions Group) series electronic components. We have 4339 pieces of Altera (Intel® Programmable Solutions Group) EP20K200EQC208-1 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                                                                                                                       |
